## **NOTICE OF TRANSFER OF LONG DISTANCE TELEPHONE SERVICE**

Dear Customer

International Exchange Communications, Inc. ("IECom") currently provides your long distance service. Due to circumstances related to IECom's bankruptcy, Matrix Telecom, Inc ("Matrix") has agreed to acquire the IECom name and will shortly begin providing long distance service to IECom customers. This transfer will ensure that customers of IECom continue to enjoy uninterrupted long distance service. This transfer will not affect your long distance rates or the terms and conditions of your service. In fact, your long distance bill will continue to list IECom as your long distance provider.

The transition is scheduled to occur on, or shortly after, April 15, 2004. Unless you have begun using a long distance provider other than IECom prior to this date, Matrix will transition your current long distance service to Matrix. The change to Matrix will not impact your local carrier selection.

The low rates you currently pay for long distance, including \$ 059 cents per minute for state-to-state calls, as well as your terms and conditions of service will remain unchanged. If, in the future, there are any changes to your rates or the terms and conditions of your service, you will be notified of them by mail.

You have the right to subscribe to long distance service from any service provider you wish. This decision is entirely up to you, and you may choose to switch to another carrier either before or after this change occurs. Matrix values your continued business and will gladly respond to any questions or complaints you may have about IECom's service. Since Matrix is purchasing the IECom name, you will not be billed a carrier change fee when your service is transitioned to Matrix, however, selecting a carrier other than Matrix may result in such a change being imposed for which Matrix will not be responsible.

If you have arranged a preferred carrier freeze through your local carrier on the service(s) involved in this transfer, the freeze will be removed in order to transition your service to Matrix. After the transfer, you must contact your local carrier if you want to re-establish a preferred carrier freeze.

If you have any questions regarding this notice, please contact Matrix toll-free at (888) 829-6926.

Sincerely,

**Matrix Telecom, Inc.**
